Career Objectives

As a curious and motivated Web Development beginner, I am always seeking new skills and experiences. As an IRO Student Co-ordinator and Rotaract Member at YCCE, I am passionate about learning and growth. I am eager to contribute to meaningful projects and collaborate with fellow developers, utilizing my enthusiasm and drive to make a positive impact in the field of Web Development

INTERNSHIP

5 Months

AICTE NEAT

Front End Development Intern

Jan'23 – Mar'23

- The main aim of the internship was to learn and develop fundamental knowledge and skills in front end development while creating a tangible project to showcase the student's abilities.
- The student collaborated with other students in every possible way, interacted with the mentor, worked on a live project, and multitasked.
- The student recommends this internship as it aligns with the objectives set by AICTE, providing students with valuable practical experience in their chosen field and facilitating their professional growth.

SmartKnower

Web Development Intern

Oct'22 - Nov'22

- The main aim of the internship was to learn and develop in-depth knowledge of web development, and gain hands-on experience working on a real web development project.
- During the internship, the intern had the opportunity to collaborate with other members of the team, such as designers, front-end developers, back-end developers, and the mentor.
